## **What do you think the style you wear says about you?**

I think the styles that you choose to wear says so much about you. My style is very versatile and I like to dress according to my mood each day. I like to look put together no matter what. Even in my workout clothes, I love to pair them with cool shoes or a chic bag.

## **Where do you stay right now? What makes this place so special for you?**

Being quarantined with my family in Dallas has been such a blessing. This is the city I grew up in and made all of my childhood memories at. Even though I'm not getting to see my friends here, I still love knowing that we're all back in the city that made us who we are today.

## **What has modelling given you throughout your career?**

Modeling has brought me so many life experiences that I maybe would've never had otherwise. I've met the most incredible people from all around the world and have been to places I could've never dreamed of seeing. I wouldn't trade these memories and experiences for anything.

## **Why have you chosen ICONIC to be your agent?**

I decided to sign with Iconic because I could feel Ingo's passion for his job and I knew I'd be in good hands. Iconic has a very strong board of models for a reason, and I wanted to be apart of it too!
